SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2008-09 school year has been a year of achievement for our school. It is the mission of RC Edwards Middle School to "promote high standards of academic achievement, personal achievement, and career development in a safe environment," and we have accomplished this through a multitude of opportunities. Our sixth, seventh, and eighth graders have had numerous opportunities to showcase their talents in academics, athletics, and the arts. Our Algebra I classes scored an average of 96% and our English I classes and average of 94% on the end of course exams. Our Festival Band won top national awards for its performance at the Presidential Inaugural Heritage Band Festival in Baltimore, Maryland and was awarded the highest possible mark of Superior from each of the five judges on the panel. The Chess Club finished first place in the State competition, and our MATHCOUNTS team placed 1st in the regional competition and 6th in the state. Thirteen students placed in the Biology Merit Exam including one student placing first in this state-wide competition. Edwards had 38 students named South Carolina Junior Scholars and 10 students qualify for the Talent Search Program sponsored by Duke University including one Grand Award. Some exemplary programs at Edwards include our Panthers in Action, Students of the Month, The 100% Club and Breakfast of Champions. The Panthers In Action are our tour guides for new students; the Student of the Month program identifies students who have excelled in the classroom as model students; the 100% Club is for students who have turned in all of their work; and the Breakfast of Champions rewards students who have not incurred disciplinary action during the previous quarter. Due to the efforts of the school's instructional coach, students now receive recognition for ten point gains in their MAP scores. The MAP prepares students to take PASS and more importantly provides valuable information about students' progress throughout the year so that teachers can meet their needs more effectively. Promethean Boards for each classroom and laptops for each teacher have been purchased for the school to incorporate current technology within the classroom.

In an effort to invest in the surrounding community, Edwards contributes to many outreach programs. Students and faculty make donations to local charities such as Relay for Life, Hoops For Heart, and United Way; participate in fundraisers such as Pickens County Group of Concerned Citizens for Animals, and Senior Citizens Day. R. C. Edwards Middle School would not be the learning environment for students that it is without the help and support of parents, volunteers, the School Improvement Council, teachers and staff. Our PTSO, a parent-teacher-student organization, is increasing the number of volunteers within our school every year. A record number of volunteers gave their time this year as our school has enjoyed the benefits of this undertaking.
